The objective and purpose of the North Orange County Gem and Mineral Society is to disseminate knowledge of mineralogy and the earth sciences and to encourage study in these subjects through means of: the presentation of public exhibitions; lectures, slide programs; field trips for explorations, study and collection of specimens; the preparation, publication and distribution of articles and studies pertaining to mineralogy and the earth sciences; the promotion of scientific research in these fields; the encouragement of interest among young people and the fostering of classes in mineralogy and lapidary arts; and all other means which are appropriate to the accomplishment of the primary objectives set forth.

Annual Membership Dues: Individual, \$10; Family, \$15; Juniors, \$3.

Visitors are always welcome at our regular meetings and field trips.

The North Orange County Gem & Mineral Soc. does not yet have a Junior Division.

Minutes of meetings are not included in this bulletin.

Material contained in this bulletin may be used. Credit is appreciated.
