PRESIDENT'S MESSAGE

by Loretta Ogden

I hope you all had a wonderful Christmas Season. It is sometimes so draining, but when we are forced to rest up we finally have time to think things out. I know we all have different priorities but I know we all share in the desire to make our show a success again this year. I expressed my concern in the last newsletter and asked if any of you would be available on January 18th or Sunday the 19th. So far I have not heard from any of you, but I know it is because we have all been so busy with

Don and I will be gone from the 1st to the 7th so I hope to either have a message or hear from you as soon as possible please. I am combining a spaghetti dinner and a planning session. CALL ASAP 714-5294419!!!!

I will see you at the next meeting so until then, HAPPY NEW YEAR!

NOT TO BE REDUNDANT, BUT.....SHOW REPORT

I have noticed low attendance at the small local shows recently. They tell us the economy is recovering so we can no longer blame it on that. I suspect it is lack of interest and boredom on the part of the public. Since we need their support and our mission is to educate, we must first offer them a reason to be there. We have found it easier to do the same thing over but what we must now do is take on a new look. We should plan some new events for the show and advertise in some new and eye-catching ways. We will need all your support and input to achieve this. Please, what I am saying is in order to achieve this we must all participate and give the show pizzaz!

If there are things that come to mind, call me or pull me aside at the meeting. We will have Floyd Zukas' Famous Diamond (replicas) of the World on display in our new *Giant Case*. Maybe we can do some things that fit in that theme? Put on your "thinking" hats.

ON-LINE GEOLOGIST
From Livermore Lithogram 2/96

The USGS is offering a new experimental on-line service called ASK A GEOLOGIST. Anyone with internet access can send their questions about Earth Science to the USGS via electronic mail, and the question will be answered in a day or two by a USGS geologist.

The e-mail address is:

QUARTZSITE FEB. 8-10

The BLM in conjunction with local government have agreed to ban all overnite camping on public lands within the city limits of Quartzsite. Day parking will still be available at these areas. Overnight camping will still be allowed on all public land outside the city limits. The 14 day limit areas and Long Term (LTV) remain unchanged. Weekly permits are also available at LTV areas and cost \$10.00 for one week. Four weekly permits can be purchased. The October to April permit is only \$50.00 and is good at all LTV areas. 93 Clubs were represented.

Accepted the application for membership of the Sportsman's Club of Joshua Tree

Accepted a Show Bid for 1998 from three Central Coast Clubs (with the possibility of one or two more to be added).

Elected 1997 officers in accordance with the Nominating Committee's recommendations

Elected new Nominating Committee for 1997.

Reduced Insurance premium to \$1.00 per member for 1997.

Announced CFMS Scholarship Honorees for 1997 (details in a later edition).

Selected AFMS Scholarship Honoree - to be announced by AFMS at a later date.

PLAC Committee Chairman announced the impending appointment by BLM of Citizens Advisory Committee to consider the future availability of Quartzsite property.

A pirate from the "Gold Coast Treasure Trove" staff roamed among the delegates to dispense gold coins and candies, enticing all to attend the upcoming show in Ventura June 20, 21 and 22.

Installation Banquet attendees were treated to a unique "Rock Music" production by incoming president Rosemarie Young and some of her associates in the Mother Lode Gem Society. A Show Biz triumph!!! (The show defies description - you had to be there to appreciate it!)
