NOC GEM & MINERAL SOCIETY NEWS

Vol. 21 No. 4

April 2002

President's Message

by Don Warthen

Another show has come and gone and with a few minor glitches the show was great. The crowds seemed smaller but the dealers report that their sales were about the same as in years passed or maybe in one case maybe even better. It seems that two dealers made big sales in the last ½ hour of the show.

Izzies rock collections were a big hit, one small child told her, after putting together a rock collection "thank you for teaching me."

It is now time to start thinking about next year. We need new faces on some of the committee positions.

One of the many positive sides of the show was that Ginny has signed up several people have signed up for beading classes as a result we will be having another beading class at our house on April 20, 2002.

As usual everyone did a great job thanks to everyone.

New Members

By Jane Livezey, Membership

In the past few months, it has been our good fortune to be able to welcome some very active new members. FLOYD ALLEN is now a member of our board and demonstrated faceting at the show. PAT FELIX has become our new librarian and participated in many areas of the show. FORREST RHODES performed the much needed task of staying overnight in the clubhouse for security and was on the floor during the day as well. I'm sure Joan Abramson was delighted that NANCY BIRD helped out for many hours at the spinning wheel as well as the front desk. BOB CORDERO, who sort of resisted joining for awhile, is now very much a part of the group and helped in many ways at the show. We also are delighted that HELEN AND CHARLIE O'NEIL joined but, as they are RVr's and on the road a lot, they are unable to become too involved.

The NOC organization is enriched by these active new members.

Beading Class

By Don Warthen

Ginny Grafton will be holding a beading class at the Warthen's home on April 20, 2002. The class will start at 10 AM. If you have supplies, please bring them with you. If not, Shirley Hill (Gems by Hill) will be on hands with supplies

There probably will be a charge of about \$2 or \$3 to cover the cost of the hamburgers.

If we have enough people interested, we will be having a wire wrap classes in about one or two months.

Our Show

By Jane and Don Livezey, Show Chairs

I feel like we gave a party and everyone came! What a great feeling! It was so much fun to see so many old friends! The place looked wonderful, and our dealers were so busy and happy most of the time.

Saturday started slowly. It was a little frightening, but you know it always takes awhile for a party to warm up. By Saturday afternoon, it was rolling, and Sunday was a very good day. There are always those who crash the party late and don't want to leave. Well, a few of those made considerable purchases at the very last minute. We'll forgive them for being late!

I purposely am not mentioning anyone by name. I have to hurry as Don Ogden needs to have an article quickly for the newsletter. I'm afraid I'd leave out some of the greatest "party givers." Let's just say we all were the "hosts and hostesses with the mostest!"

As far as proceeds, it looks like we did about the same as last year!. The money is counted and will be in the bank this AM. Don still has to figure out some of the bills. It does take some funds to put on such a fabulous party.

Thanks for being such a cooperative and party loving group. I think we had fun!!

Krafty Korner

By Angie Harwood and Mary Maneth

A great thank you goes out to all of the club members that donated their time to make and donate their crafts and items. Again, the show was outstanding this year.

Thank You

Dear Friends
I want to thank each & every one of you for your kind thoughts of sympathy, the cards, being at the memorial, all that you have said and done. I appreciate it so much. We really missed being with all of you but the commute back & forth to the meetings just got to be too much. As you know Bob really had a good time with each of you and enjoyed talking to all of you. We enjoyed the field trips, sitting around the campfire, & especially the pot luck dinners for Bob.

Thank you for being such dear friends.

Sincerely,

Jean

Reminders From Your Insurance Chairperson

By Fred Ott, Insurance Chairperson.

Thank you for continuing to use the most-current request forms (those with the date of 10-16-01 in the lower, right-hand corner). This allows the Federation's insurance agent/broker to process your requests much more accurately and in a timely fashion. Also, please mail or fax your requests for "certificates of insurance" and/or "additional insured endorsements" at least 3 weeks prior to the event. You may access these forms by going to the Federation's website address: cfmsinc.org.

As reiterated at the Federation Director's meeting in Visalia in November, each individual in your club is automatically insured under the Federation's \$1 million liability policy, whether or not that individual is an adult member, junior member, family member, honorary member, or any other designation. Federation dues are \$4.50 for every member of your club except honorary members.

CFMS Earth Science Studies

via the CFMS Newsletter

There will be some changes in the very popular CFMS Earth Science Studies at Camp Paradise in September 2002.

There will be two separate week-long seminars, consecutive weeks, with identical workshops and the same instructors.

Each seminar will be restricted to 60 or so attendees. This will enable instructors to spend more time with each person. The dates and information will be published at a later date.
