**DATED MATERIAL - DO NOT DELAY**  
July/Aug 2003

**Members of the North Orange County Gem and Mineral Society,**

I think this was one of best shows of the year, and one of the best we've ever done!

Thanks to all of you for a great show! I thought the show came off very smooth considering it was a big show in a new location and date. Everyone really pitched in and gave 110%. All the comments I heard were "what a great place", "great show", "this is the greatest show ever" and one person said, "the bathroom even smells good".

All the numbers are not in yet but the preliminary figures look good. All in all it was a great show thanks to all!!!

**Pearl Extravaganza**

The Pearl and beading class was a great success. It was a sell out! We had over 40 people at the class and all were interested in more such events. I think everyone had a good time and went away with a positive experience.

**La Habra Summer Day Camp**

We will be pitching in to help with La Habra Summer Day Camp the first week of August. We will be teaching the kids about Geology, how to make Cabs and other things. All those who are interested in helping contact me as soon as possible.

**Bar-B-Q Picnic**

Several people have asked about a picnic this year,

I have work it out so that we can get together at our house on Sunday August 3<sup>rd</sup>.

We will have a board meeting (for all interested) at 2 pm to go over the show and to start planning the next show. Then at 3 pm we start the club Bar-B-Q. I will furnish the Bar-B-Q; everyone else can bring the salads, desserts, chips and so on.

Address: 15455 Tetley, Hacienda Heights
